*EXPERIENTIAL TOUR WITH
MERCEDES SPRINTER SUNNY
“OPEN TOP”*

A unique experience on board of a luxury sightseeing to visit and enjoy the beauty of the places visited.

You will be able to witness an unrepeatabe natural spectacle in the Matera area to immortalize.

TECHNICAL STANDARDS AND ONBOARD SERVICES

Travel excellence between Basilicata and Puglia is ensured by rigorous operational protocols designed to integrate transfer comfort with logistical efficiency.

Courtesy Services (Premium Essentials)

To guarantee well-being during every transfer, each vehicle is equipped with:

- ✦ Still and sparkling mineral water always available onboard for all guests.
- ✦ Hygiene & Care: High-quality refreshing wet wipes and Kleenex packs available to passengers in every seating row.
- ✦ Environment: Cabins maintained at a constant optimal temperature, sanitized after each service, and free from invasive fragrances.

Connectivity & Power

Vehicles are configured to allow guests to stay connected or charge their devices independently:

- ✦ **High-Speed Wi-Fi:** Unlimited 4G/5G connection with a dedicated onboard router, ensuring smooth browsing throughout the journey.
- ✦ **Power Hub:** Each seat is equipped with USB ports and a multi-socket outlet (international standard) for fast charging of smartphones, tablets, and laptops.

Digital Concierge & Welcome Experience

Technology is used to elevate the level of hospitality and assistance:

- ✦ **Digital Welcome:** The onboard tablet is used to greet guests (Airport/Station Pick-up). The digital welcome sign ensures an elegant, professional, and immediate presentation.
- ✦ **Onboard Info Point:** During the journey, the tablet remains available to guests for consulting informational and multimedia materials related to the itinerary and scheduled stops.

Operational Protocols (Driver Standards)

- ◆ **Discretion & Privacy:** Staff trained in the “Luxury Silence Protocol” (interaction limited to technical needs or specific guest requests).
- ◆ **Image & Language:** Drivers in formal dark uniform. English-language service available upon prior request.

Access Management (ZTL):

- ◆ **Matera:** Guaranteed and permanent access to all Limited Traffic Zones in the Sassi area and the historic center for door-to-door service.
- ◆ **Other Locations:** Managed upon prior request or subject to the issuance of temporary permits by local authorities (Alberobello, Ostuni, Martina Franca, etc.).
